

Prevention rules for the tourist operator from Bibione:

The Italian Government has made an important announcement for Italian and international tourists.

From 15 May 2021, people entering Italy from other European Union countries will no longer have to go into quarantine. The situation is constantly improving. See bibione.com for all of the latest news.

Secure bookings

Everyone in the tourist industry is ready to welcome you to Bibione safely, in accordance with the measures put in place by the relevant authorities.

The facilities are already open and bookings can be made with the utmost confidence, thanks in part to special insurance arrangements.

Prevention

The prevention rules remain the same: wear masks, sanitize your hands frequently and observe social distancing requirements.

Rapid testing services in Bibione

Visitors to Bibione can count on multilingual health services and assistance.

In addition, at Bibione SPA centre you can take antibody tests and rapid molecular and antigen swab tests. Booking is easy and the results are provided promptly. Ask your Hotel for information

HOTEL ITALY SAFE HOSPITALITY ACCORDING TO THE HEALTH PROTOCOLS

Public areas

Internal: the several contact points are sanitized several times a day. The entrances to the hotel are signposted between entry and exit and are equipped with sanitizing stations for the hands and well as the elevators

Outside: the equipment of the garden, swimmingpool, private beach and children playground equipment are sanitized once a day. In the bicycle parking there is a point equipped with disinfectants. On the public beach sun umbrellas

Reception

The staff welcomes the guests with the mask. It's to avoid handshaking and hugging. To avoid gatherings, we ask guests to enter their data through the ONLINE CHECK-IN mail. Otherwise you must arrive with a PHOTOCOPY of a valid identification document for each member of the reservation.

Restaurant

Every day the menu will be present on every table; the breakfast and vegetables buffet is not self service, but served directly by the dining room staff, observing the distancing measures

Bar

Drinks are served directly at the table

Children

Children animation is suspended; permitted only outdoors playgrounds outside; the play room has been transformed into TV room and all games and entertainment materials have been removed. Buggies are available on request.
